Meysan Partners advised Al Bayan Medical Company ("Bayan Dental") in connection with its acquisition of a majority stake in Sky for the Management of Specialized Medical Centers ("Sky Dental"), a Kuwaiti dental clinic owned and managed by high profile Kuwaiti dentists.

Founded in 2002, Bayan Dental is one of the first private dental clinics in Kuwait, currently offering dental care at its four clinics, located across the map in Kuwait: in Kuwait City (Sharq), Salmiya, Jahra and Egaila.
