Global investment company, BNY Mellon and Emirates NBD, a banking group in the MENAT (Middle East, North Africa and Turkey) region, have entered a strategic alliance aimed at accelerating the growth of United Arab Emirates' (UAE) capital markets.

The collaboration unites BNY Mellon's global footprint with Emirates NBD's regional expertise to provide clients, across the UAE and globally, access to world-leading capital markets infrastructure and technology.

BNY Mellon and Emirates NBD will also work together to increase international investor access to the UAE's dynamic market through digitization.
