At the Principe di Savoia Hotel in Milan, the Foodcommunity Awards 2022 honoured chefs, formats, concepts, restaurants and brands in the food & beverage sector that have distinguished themselves over the past year for business growth.

The event, in its sixth edition, is the result of a process of analysis of news and research carried out over the last 12 months by the Foodcommunity.it editorial team, whose evaluation took into account public information regarding the candidates during the period of reference.
