Asset management firms, Hayfin, has invested in the Imperial Avenue real estate project located in Downtown Dubai, UAE.

The project is being developed by Shapoorji Pallonji International Real Estate Development (SPIPD), the development arm of Indian business group Shapoorji Pallonji.

The innovative transaction involved close collaboration with, and the support of, multiple stakeholders.

Freshfields Bruckhaus Deringer has advised Hayfin in this transaction. The team was led by partner **Haris Meyer Hanif** (pictured), senior associates **Tabasam Faqir** and **Tumise Jegede**, with support from associate **Jeffery Effah** and paralegal **Stevie Gallagher**. Partner **Rob Cant** and senior associate **Maha Osman** provided additional support.
