Shahid Law Firm has successfully secured a win in the appeal court for its client, MBC Group, in the dispute against actor Mohamed Ramadan.

The court amended the judgement, raising the compensation to be circa EGP 20 million, plus interest.

The case arises out of Ramadan's breach of contract, and failure to work on multiple television series scheduled exclusively for broadcasting on MBC Group platforms.

Shahid Law Firm team handling the case included managing partner **Girgis Abd El-Shahid** (pictured), partner **Sameh Attia** and senior associate **Karim Hanafy**.
