[Shalakany](#) Law Office litigation team has successfully defended a major French automotive company against a EGP 3 billion (approx USD 154 m) court claim.

The case was heard before the South Cairo Court after being filed with the Economic Courts and referred to several courts and degrees.

Shalakany has acted as a sole legal counsel for the client. The team was led by **Adam El Shalakany** (pictured), senior partner in the firm's Disputes Department.
